

ASSOCIATION OF MARINE INDUSTRIES OF MALAYSIA

Company Profile

AMIM plays a central role in the development of the nation's SBSR industry. AMIM takes this role seriously and often play key roles in highlighting issues aimed at enhancing and strengthening the development of national SBSR industry.

Since our inception in 1984, AMIM has had extensive experience in leadership, knowledge and comprehension, connectivity, networking and engagements in the SBSR industry. AMIM is recognised as an NGO representing and serving Malaysian SBSR companies and marine-related or support service companies that are members of AMIM, the Malaysian SBSR industry, government, the nation and citizens of Malaysia.
