

CONTEMPORARY LOGISTICS SDN BHD

Company Profile

Contemporary Logistic Sdn Bhd is a Malaysian maritime agency active in STS operation and in delivering specialist maritime solutions. It aspires to deliver excellence in Malaysia, regionally, and in the global industry. The company was founded years back by a group of maritime professionals, with over 20 years of experience in the field, and passionate about the industry.

Safety is our mantra and what we have been proud to deliver from day one. When offering our services we always make sure we do it in the best and safest possible way. From ship- to-ship (STS) transfers, through to marine consultation, we fully commit ourselves to ensure what we do is what meets the market requirements and expectations at the highest level.
