

JASA MERIN SDN BHD

Company Profile

Our vision is to establish ourselves as one of the leading providers of OSV and tankers services in Malaysia and other global markets.

We strive to achieve this goal by offering innovative and high-quality business solutions, coupled with professional integrity and enthusiasm. Our top priorities are safety and the environment. In addition to this, we aspire to become the preferred supplier of energy transportation by sea in Malaysia and Southeast Asia through both our Upstream and Downstream Divisions.
