

## MISC GROUP

### Company Profile

**MISC Group** is a leading international maritime company with over 55 years of experience. Our commitment to excellence is embedded in every aspect of our operations, supported by a modern and diverse fleet of vessels and floating assets. With a global workforce of over 10,000 employees from more than 40 nationalities, our diverse talents drive innovation to deliver a wide range of solutions across the maritime-related energy value chain. As a future-focused organisation, we are committed to leading from the front, propelling the maritime industry into the future, and achieving society's aspiration for a just energy transition.
