

# NATIONAL UNION OF SEAFARES OF PENINSULAR MALAYSIA

## Company Profile

The objective of the union is to defend the rights, well-being and interest of seafarers at workplace. In addition, NUSPM will ensure vessel owners provide decent working condition and good welfare for seafarers, including employment security, safety and health in vessels. Unlike normal working environment, working in vessel and travelling from one country to another country through sea is full of risk, the weather is unpredictable.

## Vision:

- Able to support the membership in the areas of training, education and defend the members from all forms of exploitation and discrimination; achieve gender justice in the workplace.

## Mission:

- To promote and defend the rights, well-being and interest of Seafarers in the workplace.

## Aim:

- NUSPM will represent the seafarers independently without the influence of government, agents or companies. It will be administered according to the registered constitution and work with the guidelines set by the members.
